Summary / Description

This well-maintained and rebuilt interior 1993 Crowther 42 is an all-around workhorse. Capable of true offshore performance, with plenty of room for guests, makes this an excellent vessel for a charter or live-aboard.

"Lovely" has undergone a full update and interior rebuild in 2021 to be an easy-to-maintain and repair vessel. She was given a new, sturdy canopy top with bench, new helm, and many new or updated components, as well as a cosmetic overhaul.

The owner wanted this to be extremely easy to see all plumbing and electrical lines, fastening points, structural supports, etc. so that there is never any tight spaces when working on anything. Designed to be open and spacious, while being a very strong hull, gives this boat unlimited options for use.

Make a day charter and she will be ready! Cruise the Caribbean, she is set to go! Live aboard, she has an open, airy feel both inside and out.

The full FRP hull has no stress cracks. This vessel is a true sailing yacht, yet has a shorter than average mast to access many canals and waterways. All sail components and rigging are in very good condition.

"Lovely" is ready for your adventures and needs nothing to get started!

VIYB Ltd is pleased to assist you in the purchase of this vessel. This boat is centrally listed by United Yacht Sales. It is offered as a convenience by this broker/dealer to its clients and is not intended to convey direct representation of a particular vessel
