Generator 1 KW hrs

Generator 2 KW hrs

## Summary / Description

Ki Zen was built with yacht grade standards by Tillotson Pearson in Road Island. The American built Lagoon 42 was constructed to a higher standard than the European version and was used in the growing charter market in the Caribbean. This version was built using a state-of-the-art resin infusion process with balsa core and vinyl ester resin creating a strong light structure. This boat sails well, is easy-to-handle and is comfortable to live on. Please call for more information or to set up a showing.

CANADIAN Flagged - Canadian Duty & Taxes Not Paid
