## Summary / Description

Affordable entry into the cruising catamaran lifestyle — this Lagoon 37 offers a solid platform with big potential for the right buyer. Built in France by Jeanneau, only a few of these proven bluewater cats were made. Known for their durability, performance, and smart layout, they continue to be a favorite among budget-minded cruisers and liveaboards.

This is the owner's version, featuring a spacious salon, three cabins, two heads, and the signature Lagoon galley-down design. She was repowered with twin Yanmar diesels in 2010, which are currently showing low hours.

She's blue water tested and ready to move on to her next adventure! She's structurally sound and available for in-water showing, but she will need some attention to repairs from her new owner and her seller is ready to discuss offers accordingly.

?If you're a hands-on sailor or DIY enthusiast looking for a liveaboard-friendly cat that won't break the bank, this is your chance. With some updates and elbow grease, she'll be a fantastic cruiser.
