## Summary / Description

### Prime Directive – 1999 Beneteau Oceanis 461

**Truly the finest Beneteau 461 we have ever seen.** Impeccably maintained and extensively upgraded by her current owner, this yacht shows as close to new as you will find. The photos cannot capture her full quality—you need to see *Prime Directive* in person to appreciate how exceptional she really is.

Powered by a **fresh Yanmar 4JH3E engine with only 72 hours**, this vessel is turnkey and ready to cruise. From her newly rigged Z-Spar mast and Doyle sails to her meticulously refinished hull and elegant interior, every detail has been cared for to the highest standard.

### Main Salon

Entering to starboard, the main salon features **custom coconut-colored upholstery** surrounding a teak dining table that drops to form a spacious berth. Cherry veneer cabinetry, black and gold throw pillows, and antique gold window treatments create a refined, classic look. The space is bright and airy, with abundant natural light from upper portholes, lower portlights, and hatches, and offers over 6'4" of headroom.

### Galley

The port-side galley is well equipped for extended cruising, featuring:

- **Force 10 four-burner LPG stove with oven and broiler** (USCG-compliant propane system)
- **Isotherm Cruise 200 stainless steel refrigerator/freezer** (12v/110v)
- **Double stainless steel under-mount sink** with Scandvik chrome mixer
- **Solid surface countertop** with granite-style finish (newly installed)
- **Foot pump** for manual rinse water and pressurized hot/cold from three tanks totaling 207 gallons
- **Upgraded Imtra lighting**, two upper portholes, one double portlight, and overhead hatch for excellent ventilation

### Master Stateroom

The forward master cabin offers a **queen berth with new mattress** (2023), cherry cabinetry, generous storage, and custom bedding in soft desert pastels. Two overhead hatches and upgraded lighting provide comfort and ambiance. The ensuite head features a large shower, all-new plumbing, ball valves, sanitation hoses, and a complete rebuild of the toilet system.

## Guest Cabins

Two identical aft staterooms each feature a **double berth**, custom cream and gold bed ensembles, and matching bolstered wall cushions. Both have ensuite heads with upgraded plumbing, handheld showers, and portholes for natural light.

## Hull and Underbody

The hull was **professionally stripped and inspected**, found to be completely free of blisters or delamination. It was faired with West System epoxy, barrier-coated with Interlux 1000/2000, and finished with **Interlux Micron 66 black bottom paint**. Since 2017, compliant antifouling paints have been used and maintained annually.

- **All keel bolts replaced** for preventive maintenance
- **New cutlass bearing and shaft seal** installed
- **Rudder bearings replaced**
- Boot stripe refinished in elegant **gold and black** accents over a white hull
- Stored on the hard annually, buffed and waxed each season

## Deck and Rigging

- **New 2023 rig:** Z-Spar mast and boom, Profurl roller furler, Doyle mainsail and 135% genoa, custom Doyle Easy Pack sail cover
- **All standing and running rigging new in 2023**
- **Lofrans Tigres 1000W windlass**, Danforth and Britany anchors
- **Lewmar 54 ST genoa winches** and **Lewmar 40 ST halyard winches**
- **Custom Sunbrella bimini** (13' x 10') and full set of black cockpit cushions
- **Spinnaker pole**, 7 deck hatches with custom screens, and dorades for ventilation
- Includes full dock gear: fenders, dock lines, and mooring equipment

## Electronics

- **Raymarine I-40 instruments** for depth, speed, and wind
- **Plastimo compass**
- **Standard Horizon handheld VHF**

## Electrical Systems

- **New engine start battery** (2022)
- **House bank:** 4 Deka 6V deep cycle batteries wired in series (new 2022)
- **Mastervolt Mass Combi 12/2000-100 inverter/charger**
- **Mastervolt Battery Mate isolator, charge regulator, and remote monitor**
- **Upgraded 90A alternator**
- **Honda EU2000i generator** for supplemental AC power

- **30A shore power service with upgraded wiring and connectors**

## Engine and Mechanical

Rebuilt in 2022, the **Yanmar 4JH3E (56HP)** engine runs flawlessly with only **72 hours** since rebuild (original 3,904).

- **Kanzaki transmission** in excellent condition
- **53-gallon aluminum fuel tank**, cleaned and fitted with dual inspection ports (2023)
- **Bilges dry, clean, and odor-free** throughout

*Prime Directive* is a standout example of the popular Beneteau Oceanis 461, presenting in **exceptional mechanical and cosmetic condition**. Her refit has been carried out with meticulous attention to detail, resulting in a yacht that is truly turnkey and ready for her next adventure. Whether your goal is extended Caribbean cruising or comfortable liveaboard life, *Prime Directive* delivers both elegance and reliability—a genuine pleasure craft in every sense.
