Summary / Description

SHAMROCK is the only 44' Endeavour Sail Cat on market. This proven hull is the same as the more prevalent 44' Endeavour Power Cat. This stable large volume sailing catamaran has plenty of space aboard and has received many upgrades and updates by her attentive owner. A recent Sail/Mast/rigging inspection was completed and available for any serious inquiries.

SHAMROCK completed her annual haul out with bottom paint renewal, zinc replacement and sail inspections in March 2025.

Over the past few months, owner has replaced all Isinglass, installed a new ice maker and replaced microwave in the galley.

Owner is retiring from sailing and is motivated to sell. The boat is maintained at Lighthouse Point behind a private home and easy to show.

VIYB Ltd is pleased to assist you in the purchase of this vessel. This boat is centrally listed by Denison Yachting. It is offered as a convenience by this broker/dealer to its clients and is not intended to convey direct representation of a particular vessel
