## Summary / Description

Nina's speed, comfort, and stability on the water make her a great boat. Ideal for family cruising and weekend excursions, but also suitable for rapid passenger transportation and day charters. This vessel is powered by dual Mercury Verado 225hp engines with close to 800 hours and a cruise speed of 24-30 knots with a top speed of 38 knots. She comfortably sits up to 10 people plus the captain, across the cockpit benches and pilothouse/salon seating. Enjoy a proper helm station with a clear view forward as you navigate. The dash was recently overhauled with a brand new dual Simrad MFD, a fixed VHF, Fusion stereo, JBL amp and speakers, redundant battery monitors, and a wireless phone charger.

Some amenities include:

- 2 refrigerator/freezers
- LPG "instant-on" hot water
- LPG stovetop cooking with 2 extra drawers of easy storage
- Wet head with electric toilet, holding tank, hot/cold shower, and wash basin
- 9.5ft Takacat, powered by an ePropulsion engine
