Summary / Description

~NEW ARRIVAL~

~2007 Fountaine Pajot Lavezzi 43~

~Twin 2018 Volvo D1-30 X2 Saildrives 30hp each (60hp total) with 600 hours~

~Survey Done in June 2024~

~Fountaine Pajot is synonymous with high-end, blue water sailboats, and this boat fits the bill. It is turn key and in great condition. With its solar power, generator, and blue water capabilities, it is ready to chart a course for anywhere in the world. The current owners are the second owners of the boat, and new engines were installed in 2018. It was never used as a charter.~

~The owner has maintained the boat with an open checkbook. It is very versatile: it can be used as a live aboard, it can cruise the islands, it can be used as a charter boat, is great for entertaining family and friends, and can set sail to nearly any port in any ocean.~
