Summary / Description

BRAND NEW ENGINES!

BE SURE TO VIEW 3D TOUR AT BOTTOM OF LISTING

"Feel the Moon" is a very well-maintained owner's version of the sought-after Lagoon 400L. With her large owner's suite, including an office area that rivals most home offices and a large bathroom with stall shower, she is set up perfectly for family cruising or for a couple who wants privacy but the ability to have guests aboard. The guest area is on the port size and features two queen beds and a full-sized head. Ample solar power, a 40 GPH water maker, and a lithium battery bank make her self-sufficient offshore.

Her owner has kept her in immaculate condition. Step aboard and prepare to be wowed! From the condition of her gelcoat to the new standing rigging to the UPGRADED SD60 SAIL DRIVES, she is a very unusual boat. Serious inquiries only, please.

2025:

- REPOWERED with BRAND NEW Yanmar engines, including new panels and wiring
