Summary / Description

2010 Leopard 38 / Venture Xpress

Discover the charm of *Venture Xpress*, a well-maintained, award winning four-cabin cruising catamaran, now available for your next sailing adventure. The Leopard 38 earned the prestigious 'Boat of the Year 2010' award from both Cruising World and Sail magazine, showcasing its exceptional design and performance.

Located in Tauranga, New Zealand, and tax paid, *Venture Xpress* is ready to set sail with her new owner. At just 38 feet, this yacht maximises space well, featuring a generous cockpit with an outdoor dining area sheltered by a hard-top bimini, complete with mounted solar panels. The fully enclosed cockpit, equipped with well-maintained clears, comfortably accommodates six around the dining table.

The thoughtful layout includes a functional workspace behind the cockpit for easy access to the wide sugar scoop transoms, a BBQ area, and the popular Leopard davit setup, ensuring your tender is safely stowed and easily deployable. With four double cabins and two spacious heads, plus additional single berths in the forepeaks, *Venture Xpress* offers ample accommodations.

The galley-up design enhances the spacious saloon and provides an aft-facing galley with a flush-level floor, creating a seamless flow throughout the interior. With a focus on performance and ease of handling, the Leopard 38 is designed for both speed and comfort.

The simple sail plan has her main and jib sheets leading directly to stoppers and self-tailing winches adjacent to the helm, making single handed or short-handed sailing a breeze. The sports helm features a comfortable seat for two, offering excellent visibility while keeping you connected with your crew and guests.

If you are seeking a well-equipped yacht that combines comfort, functionality and the benefits of catamaran living, *Venture Xpress* is a wonderful choice.
