## Summary / Description

**PRICED TO SELL IMMEDIATELY!**

**BUILDERS REMARKS:** The Leopard 39's speed on the water and easy handling are its top features, earning it 'Boat of the Year 2010' from Cruising World and SAIL magazine. The Leopard 39 features a large cockpit with outside dining area protected by a functional hard-top bimini with mounted solar panels. The galley-up design incorporates a spacious saloon and aft facing galley. No steps up or down anywhere. The 3-cabin layout features an owner-dedicated starboard hull with master stateroom, office area and large head with separate stall shower forward. Sailing the Leopard 39 is easy: both main and jib sheets lead to stoppers and self-tailing winches directly adjacent to the helm. There's room for two on the bench-style helm seat, but you need only one to trim sails!

**BROKERS REMARKS:** BELIEVE is the desirable 'owners version' of the Leopard 39. The current owner purchased Believe in 2016 and she has been lightly used but well-cared for since. This yacht is well equipped as you'd expect for this layout complete with solar panels, air conditioning, electric davits and Yanmar engines.
