Generator 2 KW hrs

## Summary / Description

The Lagoon 380 is one of the most popular cruising catamarans in its class and with about 900 of these built to date they remain very popular with charter companies and owners. This boat is the popular S2, 3 cabin owners' version.

The cockpit is protected by a fiberglass hard top with sliding panel over the helm position to allow the skipper excellent visibility of the boat.

The boat is out of the water and had antifoul paint (June 2024). It has new zinxs, new rudder bearings, a brand-new stainless steel arch with new solar panels. There's a new Rainman water maker, a new trampoline, a new anchor chain, new batteries, new Victron charge controller and Victron monitor, a new Suzuki outboard engine, and an extensive list of other servicing and other upgrade work including all new engine mounts to get this boat ready to go sailing!
