Summary / Description

WIDTH GRADITUDE is a nice example of a robust cruising yacht, professionally maintained with the same owner for the last 8 years. The Leopard 48 is a very popular model, designed by Simonis Voogd and built by regarded catamaran maker, Robertson and Caine. This 4 stateroom, 4 head layout comfortably sleeps 8, and is complimented by forward and aft cockpits, a large salon with 360 degree views, and an on-deck galley. The raised helm station is laid for solo operation and a fixed hardtop/dodger provides protection from the elements.
