## Summary / Description

**The 70 Sunreef Power CLOUDS was created for active owners who appreciate high quality custom-made design, comfort, stability and safety as well as the yacht's long range combined with low fuel consumption.**

**This catamaran participated in the Miami Boat Show and then returned safely to Europe, this is a unique catamaran that can easily cross the Atlantic Ocean.**

The 70 Sunreef Power CLOUDS was created for active owners who appreciate high quality custom-made design, comfort, stability and safety as well as the yacht's long range combined with low fuel consumption.

Every single space of the yacht was designed with the greatest attention to detail. The large master cabin is located in the forward section while three double guest cabins with private bathrooms as well as crew cabins are located within the hulls. The saloon features a dining area and a kitchen with a bar.

A Turkish bath located stern on the starboard is one of the new fun features of the yacht. This cosy spa zone with heated seats and additional shower is designed to fit 4 – 5 guests.

The combination of bright upholstery and flooring with ebony furniture creates an exclusive ambiance. High gloss finished precious veneer accentuates luxury on board. The bathrooms also have a fancy design with glass sinks as well as taps and mirrors decorated with Swarovski crystals.

The spacious flybridge accommodates Jacuzzi, karaoke system with high-quality audio equipment, disco lights and 50" waterproof TV.

Luxury CLOUDS is also equipped with extended functional storage. Custom lockers are placed under the ceiling, between the lounge and the navigation station. Moreover, a special garage for seabobs and diving gear was designed under the hydraulically lifted stairs of the starboard aft section. excellent condition

Sunreef Power 70 offers a custom-made design, seaworthiness, onboard comfort, long range and low fuel consumption. Luxury catamaran was meticulously designed both inside and outside. The interior is a chic blend of bright flooring and upholstery with rich ebony, high-gloss veneered furnishings. The hulls of luxury catamaran Sunreef 70 Power feature three double ensuite guest cabins and one crew cabin.

Each cabin boasts of a beautiful décor, plush linens and enhanced storage room while ensuite bathrooms have sharp glass sinks as well as fancy taps and mirrors decorated with Swarovski crystals.

The sweeping decks of luxury power catamaran offer the finest in outdoor living with a vast aft deck, an extensive fore with large sun pads and a voluminous flybridge with Jacuzzi, a karaoke system, high-end audio equipment, a 50' waterproof TV as well as disco lights.

This unit of the 70 Sunreef Power features a luxurious innovation- a Turkish bath located on the starboard stern. This cozy private spa has heated seating for 4-5 guests as well as a separate shower and promises moments of sheer pleasure and relaxation after a day in the sun or sightseeing.
