Summary / Description

This 2015 Bali 4.5 4-cabin, 3-head version is designed with Open Space living in mind with large interior and exterior living spaces.

The forward cockpit with dining area and gigantic sunbathing area has replaced the traditional trampoline. The aft cockpit is spacious and entirely flush-decked. There is a port-side dinette and folding table that will seat eight and lounge to starboard.

The side-helm provides good access to the aft cockpit and the side deck. The helm is protected by the Bimini and there's a useful instrument panel, good visibility forward and ample room for the additional coachroof sun pads.

The Open Space concept continues inside, where a sliding aft door and separate window lead from the cockpit to a space where convenience is king. To port is a full galley with an Eno cooktop and separate, eye-level oven and an abundance of countertop space. Each hull has two large cabins with queen-sized island beds. On the port-side each cabin has its own ensuite bathroom with shower and electric toilet while the starboard-side share a larger bathroom, electric toilet and separate walk-in shower.

- **Key Features**

- New rigging (2025).
- Solar Panels 4 x 100w.
- Vitifrigo Ice maker.
- Aquabase watermaker 200l/hr , newly serviced.
- Highfield Hypalon Bow Locker dinghy with Tohatsu 18hp outboard (2024).
- Bottom painted (2025).

Full disclosure: this boat lost its mast during hurricane Beryl and as such the boat benefits from brand new mast and rigging. Other damages were relatively minor.
