Summary / Description

*This **Lagoon 450 F catamaran for sale** is fully equipped and offers all the comfort needed for luxurious long-term cruising.*

Designed for complete autonomy, it allows you to live off-grid for extended periods while exploring remote, untouched destinations.

In addition to its extensive standard equipment, this Lagoon 450 F features high-end upgrades that make it an exceptional liveaboard or bluewater cruiser.

*It includes all-electric winches, a high-capacity **watermaker**, **generator**, and **air conditioning** in every cabin for maximum comfort.*

*Maneuvering is a breeze with a **bow thruster** and dual **plotters** at the navigation station.*

*The advanced **solar power system** consists of 9 panels with independent switches and monitoring, 4 mounted on the superstructure (160W each) and 5 at the rear (445W each), totaling an impressive 2225W.*

Energy storage is handled by two 3000W inverters and four 200Ah lithium batteries (2500W capacity), ensuring reliable off-grid power.

*Additional features include masttop cameras (4-in-1), a **bad weather cockpit cover**, sun protection for both the outdoor saloon and foredeck, an **alarm system**, **fishing gear with rod holders**, and a large **BBQ grill** for outdoor cooking.*

*Sail inventory includes a mainsail and furling genoa, as well as light-wind sails: **Code 0**, **Gennaker (176m²)**, and a **Spinnaker (206m²)** with a dedicated pole, making this Lagoon 450 F ready for serious ocean sailing or relaxed coastal cruising.*
