Summary / Description

This clean, comfortable, and well-equipped Lagoon 52F catamaran offers the perfect setup for long-term cruising or luxury liveaboard life. With a flexible 6-cabin layout, one cabin is converted into a walk-in pantry, and the two forward crew cabins serve as a laundry room and tool storage — ideal for extended voyages.

Extensively upgraded by a cruising couple focused on reliability and self-sufficiency, this yacht features a new Yanmar JH80 engine (installed summer 2024) with under 500 hours, new throttle controls, a 1600Ah AGM battery bank with Victron monitoring, a Sea Recovery 75 GPH watermaker, and an Onan 17.5kW generator.

With a clean ownership record, fresh bottom paint, and all the comforts of home — including small appliances — this Lagoon 52F is ready to set sail. Turnkey, spacious, and designed for bluewater cruising.

Open to Trades! Owner is happy to consider trade options—this could be the perfect opportunity for someone ready to make a change and set sail.
