Summary / Description

\$50K PRICE REDUCTION!

The 51 Leopard Power Catamaran is a luxurious and versatile vessel designed for both cruising and offshore adventures. Known for its superior performance and innovative features, this catamaran seamlessly combines comfort, stability, and style, making it a popular choice among boating enthusiasts and charter operators alike. Its advanced design optimizes fuel efficiency and ensures smooth handling, even in challenging sea conditions, thanks to its twin hull configuration and powerful engine options.

VIYB Ltd is pleased to assist you in the purchase of this vessel. This boat is centrally listed by Allied Marine. It is offered as a convenience by this broker/dealer to its clients and is not intended to convey direct representation of a particular vessel
