## Summary / Description

Rima, hull #54 of the award-winning Outremer 51 series, represents the pinnacle of performance cruising catamarans currently on the North American market. Purpose-built for safe, comfortable, and fast bluewater voyaging, she is equipped to cross oceans with confidence and style.

Commissioned for world cruising, Rima's current owners took delivery in St. Martin before sailing her extensively throughout the Caribbean, Bahamas, and Eastern Seaboard. During their ownership, they invested in significant performance and off-grid capability upgrades, ensuring she remains fully self-sufficient in the most remote anchorages.

This desirable 3-cabin, 2-head owner's version features a long list of factory upgrades, including a carbon fiber hardtop, longeron, and bulkheads for superior strength and weight savings. Her electrical system has been modernized with a state-of-the-art Victron power suite, delivering unparalleled energy efficiency and independence.

Rima boasts an exceptional sail inventory, from high-performance downwind sails like a Parasailor to a brand-new Ullman laminated square-top mainsail and genoa, as well as multiple storm sails—ensuring versatility in all conditions.

### Key Features & Upgrades:

- New Epoch Lithium Batteries
- Full Victron Electrical System (chargers, solar controllers, inverters)
- Stainless Steel Dive Compressor
- New Dometic Variable-Speed Air Conditioning (runs through Victron system—no generator required)
- Washing Machine
- Full B&G Electronics Suite
- OC Tender
- Folding Props
- Coppercoat Bottom Protection
- Comprehensive sail wardrobe, including multiple downwind and storm sails
- And much more...

Rima is a rare opportunity to own a meticulously outfitted, performance-driven Outremer 51 with a proven cruising pedigree.

She is a US Coast Guard Documented and US Duty paid
