## Summary / Description

### PRELIMINARY LISTING - MORE PHOTOS COMING SOON

Sea-keeping ability is our objective with the 40'. Invincible created a boat that would tear through seas from any direction, while still being able to maneuver turns at high speeds. It was designed to go far in less than optimal running conditions. Not too many center consoles can compete, and far fewer can keep up once the seas get rough.

- Garmin electronics
- Diamond stitch seating
- Sun lounger
- Head in console
- LED light bar
- Dual livewells
