Summary / Description

The Open 46 was created to meet the expectations of today's travelers who are looking for a true sailing experience without sacrificing comfort. Whether you are planning a few days at sea or a round-the-world trip, this luxury yacht will take you to the most beautiful spots in the world while your family and friends are enjoying pure comfort in a beautifully designed interior.

The innovative concept of the Open 46 catamaran is based on a sleek and elegant design. The living room and the cockpit have been merged to gain space - it's the essence of the "Open" concept. The living room of the Open 46 offers beautiful volumes, like an invitation to enjoy daily life in an amazingly elegant and warm atmosphere. The interior is very chic, made of dark wood with very bright natural light and neat details in stainless steel.

2019 Nautitech 46 Open Black Edition is offered in the Chesapeake Bay by the original owners. This vessel has spent the past five years cruising the Bahamas during the winter season and being loved on the bay during the summer season. The owners have maintained the vessel to the highest quality and bring the yacht to the market with New Sails, New Bottom Paint, Fresh Finishes and many upgrades.

2019 Nautitech 46 Open Black Edition is offered in the Chesapeake Bay by the original owners. This vessel has spent the past five years cruising the Bahamas during the winter season and being loved on the bay during the summer season. The owners have maintained the vessel to the highest quality and bring the yacht to the market with New Sails, New Bottom Paint, Fresh Finishes and many upgrades.
