## Summary / Description

### **2020 Lagoon 620 Essence version**

The Lagoon 620 is a flagship cruising catamaran that seamlessly balances luxury, performance, and long-range liveaboard capability. A benchmark in the world of large production catamarans, the 620 is renowned for her exceptional comfort, expansive volume, quality craftsmanship, and proven ocean-going performance.

This yacht is a highly sought-after *Essence* version featuring the central galley layout in the saloon, a spacious owner's suite and VIP guest cabin in the starboard hull, three guest cabins to port, and an additional crew cabin in the forepeak. A hydraulic swim platform/tender lift adds a touch of luxury and convenience for swimmers and divers.

With a sailing history that spans from the Mediterranean to the idyllic cruising grounds of the South Pacific, she is ideally equipped for global adventures. Highlights include a panoramic saloon, full suite of B&G Zeus 3 electronics, a sweeping flybridge with twin helms, and an intelligently designed sail-handling system that ensures efficient, enjoyable passages.

Built late in the production run, this yacht benefits from significant recent upgrades, including brand new Yanmar engines (340hp) installed in 2024 and a new mainsail hoisted in July 2025. From every angle, she turns heads, a stunning presence on the water and a true showpiece under sail. The motivated Vendor has her competitively priced and presented in excellent condition, she offers an outstanding opportunity for discerning buyers ready to embark on their next grand voyage.
