450.00 HP  
Fuel: Gas/Petrol  
Location:

Port

Engine 2  
Mercury  
450S  
Outboard 4 Stroke  
450.00 HP  
Fuel: Gas/Petrol  
Location:

Generator 1 KW hrs

Generator 2 KW hrs

## Summary / Description

**2020 Renaissance Prowler 42**

**RENAISSANCE PROWLER 42 COMPLETE WITH A FLOAT ON TRAILER.**

**ONE OWNER, BOAT ALWAYS KEPT ON A LIFT, NO BOTTOM PAINT.**

**RACE-INSPIRED, FISHERMAN-DESIRED.**

**LOOKING FOR SPEED, STYLE AND COMFORT, BIG SEXY IS THE BOAT FOR YOU.**

Her asymmetrical sponsons, inspired by offshore race boat design, were the first among fishing catamarans. So were her fully flushed decks, unbroken by a step up forward of the console. And so were her distinctive reverse sheer line in tapering bow, which makes her not just good looking for a cat, but good-looking by any standard. The term "game changer" gets thrown around a lot these days, but the Prowler 42 might just qualify.

Our asymmetrical sponson design delivers the benefits of a long, narrow deep-vee, precise handling and predictable manners at speed and monohull good looks, combined with the benefits of a cat, unparalleled ride quality, exceptional drifting/trolling stability, improved fuel efficiency, and cavernous below decks storage.

As much as she might look like an offshore racer from the rub rail down, rest assured that she's an uncompromising fish and dive platform everywhere else. In addition to her industry-first flat decks, which allow for a comfortable, secure fish fighting position in the bow, she offers more than 850 gallons worth of insulated, locking lighted below-deck compartments for fish, gear, and dry storage, plus another 400 gallons in twin coffin boxes. An expansive dash accommodates up to three 16" displays, and twin 55-gallon aquarium style livewells in the aft corners put bait right where you need it.

Helm seating is configured with two rows to accommodate up to six in deluxe bolster seats with folding armrest. Aft-facing seating and tackle center are included. Seating forward of the console is configured with loungers and upright seats.
