## Summary / Description

BELLA is a great-performing Bali 4.8, owner's version, located in the British Virgin Islands. She is currently successfully operating in a luxury crewed yacht charter program based at Scrub Island. The yacht is exceptionally outfitted with a chef's galley in place. Additionally, the yacht is equipped with additional solar and hydro generating capabilities for long-distance cruising. This is a yacht ready for whatever you are envisioning!

BELLA features all the assets of the BALI CATAMARANS range: her slender, straight bows creating elegant lines, her numerous storage spaces, her contemporary design, and of course, the "Bali door". Whether under way or at anchor, you can go from the saloon to the forward cockpit in the blink of an eye through the watertight door. A simple and practical davit system makes it very easy access the tender.
