Summary / Description

2021 Lagoon 42 | *Ocean Sunset*

Ocean Sunset is a standout example of the highly sought-after Lagoon 42 Owner's Version, now available for sale to the discerning buyer. Launched in 2021 and meticulously maintained, she presents in near-new condition and is packed with premium upgrades direct from the factory.

Ocean Sunset includes full-boat air conditioning, an onboard generator, and recently fitted with an extensive Bifacial Solar Panels structure that not only delivers excellent energy performance but also provides effective shade over the cockpit — perfect for tropical cruising. The Owner decided to retain the AGM batteries to keep things simple, offering reliability and ease of use.

The interior layout is designed with comfort and privacy in mind, featuring three spacious cabins each with their own ensuite. The entire starboard hull is dedicated to the owner's suite, offering generous storage and living space. The galley-up design includes ample bench space, a large grill/microwave combo, and an additional portable fridge/freezer — ideal for long passages or entertaining aboard.

This Lagoon 42 is equipped with the latest design innovations including the aft-stepped mast, which opens up sail choices and enhances performance, as well as a flush-level cockpit-to-saloon layout for safe, seamless movement onboard.

With new model waitlists growing, *Ocean Sunset* represents an outstanding opportunity to own a fully optioned family cruising catamaran without the delay. Currently located in Phuket, Thailand — a gateway to some of the world's finest cruising grounds — she is conveniently accessible and available for inspection.

The Yacht Sales Co. can assist with global delivery logistics, including quotations for shipping or professional delivery crew. Contact our Asia Sales Centre to arrange your private inspection today.
