Summary / Description

2021 Lagoon 52F - Lovewater

No catamaran in this category offers as much space and comfort as the Lagoon 52. Purchased new by her current owners, who are very experienced sailors, *Lovewater* is the Offshore version, and features a long list of desirable factory-fitted options and upgrades for long range cruising in safety and style.

The cockpit features an extra-large stern bench for entertaining friends and family, while the four large and luxurious queen cabins are like full sized bedrooms, each with its own ensuite and desk / dressing table to provide all guests absolute privacy and ample space.

Quality finishes and upholstery inside and out, including teak cockpit and transoms and oak finishes complemented by Alpi walnut interiors, deliver an award-winning modern aesthetic and are in impeccable condition.

Lovewater promises to deliver freedom and adventure as there is nowhere you can't go and nothing you can't do in this boat, which is more than capable of crossing the world's oceans and extended cruising to remote locations in comfort with a 280L watermaker, a powerful generator, a washer / dryer, a dishwasher and a large tender with 50hp outboard.

Conveniently located in the heart of the Mediterranean in Montenegro, *Lovewater* has just been antifouled and engines serviced in 2024, so she is absolutely ready to embark on adventures with her new owner.

To enquire about this magnificent catamaran or to schedule an inspection, please contact our team in the Mediterranean.

VIYB Ltd is pleased to assist you in the purchase of this vessel. This boat is centrally listed by THE YACHT SALES CO.. It is offered as a convenience by this broker/dealer to its clients and is not intended to convey direct representation of a particular vessel
