## Summary / Description

This nicely equipped 2021 Leopard 42, featuring three cabins, is truly in EXCELLENT CONDITION. It includes a solar arch, 1,580 watts of solar power, a 900 amp lithium house battery bank, a Highfield CL340 Classic with a 20hp Tohatsu outboard, an electric dinghy lift, a Rainman 35 watermaker, two 16,000 BTU marine air conditioning units, a washer/dryer, a Northern Lights 6KW generator, a cockpit enclosure, a helm enclosure, an ICW-friendly rig, a Code O sail, a life raft, a full electronics suite, and an upper lounge area. All salon, hull windows, and skylights have been rebbed (8-2024).

Built by Robertson & Caine in South Africa and designed by Simonis & Voogd, the Leopard 42 showcases innovative design and quality construction. It possesses the unmistakable DNA of a Leopard Catamaran, yet incorporates numerous new technologies and building techniques that make it a magnificent ocean-going yacht with a sense of space, comfort, and performance typically found in larger yachts. It is a solidly built catamaran that perfectly balances comfort and uncompromised performance.

The modern exterior styling features continuous hull side windows, a hardtop, a comfortable cockpit, and an upper lounge area. The interior boasts three cabins with comfortable island berths, three en-suite heads with separate showers, a smartly designed salon that opens onto the cockpit, contemporary finishes, and abundant natural light.

The vessel is been properly imported into the USA and is owned by an LLC, which has paid Florida tax. She is in excellent condition and has never been chartered.
