The spirit flies away like a terrace overlooking the sea, takes its ease in the private lounges or has fun in mischievous games on

its beach club.

A style that reflects the latest trends.

Aesthetics is the harmony between the inside and the outside, your feeling of serenity and the comfort of the boat's volumes. The elegance of the lines is like a welcome reserved for you, a call to feel good, an invitation to relax. Recharge your batteries by escaping as far as the horizon, from the square that offers you a 360-degree view. The style, transparency and lightness of the Alegria 67 make navigation an immaterial experience that encourages emotions to flourish.

The Owner's version on this Alegria 67 has an exceptional suite of 22 m² in the starboard side, with direct access to the front saloon and sun beds. With the kitchen designed in the passageway, the saloon is fully dedicated to dining or relaxation.

On this Alegria 67, chefs enjoy the full kitchen version (Galley Down) found in the port-side with a corridor to the aft port 2 bed stateroom with its own aft hatch.

The Alegria 67 kitchen version will provide owners and guests the experience of unforgettable culinary moments: the flavor of the dishes combined with that of the tasting of exquisite wines can be discovered during a stopover, refreshments, cocktails with friends before leaving for dinner on land? You surrender yourself to the treasures of Domains discovered at the bend of a stopover on land, and enjoy a bouquet of flavors magnified by the sea.
