Summary / Description

Step aboard **JUNGLE GODDESS**, a lightly used **Lagoon 46 Owner's Version** that perfectly blends luxury, performance, and long-range cruising capability.

This 3-cabin, 3-head layout is thoughtfully designed for liveaboards and serious cruisers, offering superb comfort and privacy. With a solid fiberglass hull, wide 27-foot beam, and shallow 4-foot draft, she provides excellent stability and smooth handling in both coastal and offshore waters.

Powered by twin 57HP Yanmar engines with only 350 hours, along with a 13.5kW Onan generator, JUNGLE GODDESS is set up for self-sufficient, off-grid living. Her 275-gallon fuel tank and 158-gallon water capacity make extended voyages easy and worry-free.

Notably, the vessel received structural upgrades completed by a team from the Lagoon factory—not due to recall, but as part of a proactive enhancement requested by owners. These upgrades added stiffeners in key areas, bringing her up to the latest production standards and ensuring added strength and durability.

*This is a **rare opportunity to own a nearly new, meticulously maintained Lagoon 46** that's fully equipped and ready for your next adventure.*

VIYB Ltd is pleased to assist you in the purchase of this vessel. This boat is centrally listed by The Catamaran Company. It is offered as a convenience by this broker/dealer to its clients and is not intended to convey direct representation of a particular vessel
