Summary / Description

The Leopard 50 has the ideal layout for anyone looking for more outdoor living space as she comes equipped with a flybridge that includes a lounge area, table, sunbed and optional exterior speakers and shade awning. Access is provided by floating stairs leading up from the aft cockpit. An important distinction compared to similar sailboat flybridge configurations is that while under sail, passengers can move about the flybridge with ample headroom and never worry about interference from the boom. The flybridge is also situated to still maintain contact with the helm station, an important feature found on all Leopard Catamarans.

Win Win will be a wonderful buy the next lucky owner. The yacht has had one owner and this is his second Leopard catamaran. He completed the ARC on his 1st Leopard a 45. Having done a circumnavigation with the security and comfort of the build strength and capabilities of Leopard Catamarans, the owner upgraded to this Leopard 50 and again sailed 10's of thousands of miles around the world. The boat is fully equipped to be autonomous for extended passages and live aboard life. She has always had a full-time captain at the helm and maintenance has never been spared.

Win Win is now ready for her next owner who can take this boat anywhere in the world in safety and comfort.

VIYB Ltd is pleased to assist you in the purchase of this vessel. This boat is centrally listed by Catamaran Guru. It is offered as a convenience by this broker/dealer to its clients and is not intended to convey direct representation of a particular vessel
