Summary / Description

ALL US DUTIES PAID — **MERAKI** is a 2022 43' NEEL trimaran, custom-built exclusively for the 2022 Miami Boat Show and meticulously maintained by her sole owners. Selected for her renowned combination of **speed, safety, and offshore capability**, this NEEL 43 has undergone over **\$120,000 in thoughtful upgrades** to support a true **off-the-grid, liveaboard cruising lifestyle**. Designed for independent, long-range sailing, MERAKI stands out as the only NEEL 43 in existence with a custom-built **"sky lounge" seating area on the coachroof**, inspired by premium catamaran designs. This unique space is perfect for enjoying sunrise coffees or sunset reflections while anchored in a remote bay.

Unlike many vessels that claim to be "off-grid capable," MERAKI truly delivers. Thanks to an advanced solar energy system, she requires **no generator** — with house batteries typically fully charged by 1 PM, even while running **DC-powered air conditioning** through the night. She only consumes fuel for docking and maneuvering, allowing for **silent nights at anchor without the need for a diesel generator**. Her current owners lived aboard full-time in the Caribbean for over a year, often choosing **secluded, crowd-free anchorages**, highlighting her autonomy and resilience.

As a **performance cruising trimaran**, MERAKI is remarkably fast, especially in light wind conditions. She comfortably sails at **6–7 knots in 10 knots of breeze**, often achieving **speeds within 3 knots of true wind speed**, and hitting **double digits** when conditions allow. Numerous **custom storage solutions** and layout enhancements make her ideal for **full-time liveaboards**, minimalist sailors, or weekend adventurers seeking a balance between **comfort, performance, and energy independence**. With her unique features and extensive upgrades, MERAKI is a rare opportunity in the world of modern **bluewater cruising trimarans**.

VIYB Ltd is pleased to assist you in the purchase of this vessel. This boat is centrally listed by The Catamaran Company. It is offered as a convenience by this broker/dealer to its clients and is not intended to convey direct representation of a particular vessel
