Summary / Description

2022 Seawind 1160 Lite / Shark Fart

Shark Fart is a well-maintained 2022 three-cabin owner's version Seawind 1160 Lite. The current owner has enjoyed sailing her in Asia over the past two years and is now ready for someone else to take her on new adventures.

If you are looking for a near-new cruising catamaran without the wait for a new build, this could be the boat for you.

Seawind Catamarans are renowned for great sailing, especially suited to the tropics with the two huge forward-facing windows to let in the welcome breezes. A swing-up triple door between the saloon and the rear cockpit creates an expansive open entertainment deck area, ideal for convivial barbecues and sunset drinks.

The saloon features air-conditioning to maintain a cool environment in tropical climes.

When the wind disappears, twin upgraded Yanmar 25hp outboards push you along efficiently, delivering all the power you need.

Seawind Catamarans have won many awards for their designs over the years, and this model will give you and your family plenty of enjoyment for years to come.
