Summary / Description

2023 Bali 4.2 - Fully equipped with lithium, solar, tender and more: Owner's version, 3 cabins/3 heads/2 showers. Fully ready to continue cruising now

The Bali's unique design promotes social areas, a spacious galley and comfortable cabins – almost like home. The rigid, safe platform and fine hulls allow for nice sailing. The 4.2 is a perfect size as easy to handle yet easy to live in.

Elysium has many of the factory upgrades such as the larger engines and then some excellent aftermarket upgrades including the custom air conditioning, lithium and solar. She has been lightly used and has never been chartered.

For an unvarnished look at the boat and its cruising since new check out the Youtube channel: "Adventures of the Great Banana".

The owners are onboard for an easy handover and moorage is booked until Spring so a smooth start to your adventures.

Bali 4.2 Open Space

Name..... Elysium

Year..... 2023

Builder..... Catana

Designer..... Xavier Faÿ; Olivier Poncin

LOA..... 42' 2"

Ballast..... None !

Sail Area 990 ft2

Steering..... Wheel

Keel..... Fixed

Rudder..... Spade

Fuel..... 169 gals

Water..... 227 gals

Hot Water..... Yes

Holding Tank..... Yes

Headroom..... 6'6" to 6'10"

INTERIOR AND COCKPITS

Bali has a unique design feature that allows you to extend the living space and combine outdoor and indoor living. The massive "Bali Door" (an impressive 11' wide and 7'2" tall) and front door entry creates a seamless flow that allows for a comfortable breeze.

The salon can be enclosed in seconds by the press of a button or remain open to the aft cockpit. There is room for eight at the salon table plus another comfortable settee to starboard.

In the large galley there is the famous full size "North American" fridge and extensive preparation and storage space.

Massive, centrally located navigation station that also is an excellent desk.

Moving forward through the large watertight door there is the iconic forward cockpit with its solid foredeck and almost full beam sitting area with sunken cockpit and extensive seating.

The flybridge is easy to access with excellent sightlines and very secure. The sail maneuvering station has the battery of clutches and winches right at hand and is very intuitive to use. And, of course, there is another sun lounging area aft of the helm!

The entire Port hull is dedicated to the owners with a 5'7" wide bed with partial walkaround, comfortable bench settee, dressing table/desk and large bathroom. Large walk-in shower.

Washer/dryer in the bathroom

The starboard hull has the same massive bed aft and a guest cabin forward. Each guest cabin has its own ensuite toilet and a shared shower.

Cabins have indirect lighting and polished reading lights throughout plus blackout blinds and privacy screens.

Freshwater, electric toilets x 3

4th cabin (captain's quarters and head in aft peaks)

Exterior cushions throughout

Cabin fans throughout.

Upgraded air conditioning – sufficient batteries to run the aircon and still produce net positive power.

GALLEY

Large, ergonomic galley with masses of storage and preparation space. L-shaped countertop forward and long counter with sink in the center

“North American”-sized fridge freezer – a whopping 326 L plus chilled water just like at home.

Eno three burner stove and oven

Double stainless-steel sinks

Microwave

Sea water pump

MECHANICAL

2x 45 Nanni engines (upgraded from 30hp)– 440 hrs.

Folding propellers

Large engine compartments with easy access.

ELECTRICAL + PLUMBING

2kw of solar panels with Victron MPPT charge controllers

Massive 1200 Amp-hrs of lithium batteries

Victron DC-DC controllers throughout

Victron Phoenix Invertor

Victron Multiplus 1600/70amps x 2

Victron GX Touch color battery monitor display

Freshwater purifying system

Hot and cold freshwater showers at the swim ladders

INSTRUMENTS

Upgraded electronics package

Raymarine Axion 12' Chartplotter/Multifunction device at the helm

Raymarine Axion 7" at the chart table

Raymarine Quantum Radar

Raymarine Instruments throughout at helm and chart table.

Raymarine P70S Autopilot plus wireless remote

Raymarine AIS transmitter/receiver

Raymarine VHF Ray 63 with DSC with remote mic at helm.

Fusion Marine Stereo with salon and foredeck zones

Wifi booster

SAILS & CANVAS

Mainsail: square top full battened sail for extra performance plus stackpack and lazy-jacks

Headsail: Reinforced Solent on a furler and self-tacking traveller

Code Zero: 63 m² code zero on bowspring and furler for easy light air sailing (used twice)

All sails in excellent condition

RIGGING + DECK GEAR

Spreaderless rig for reduced windage and complexity.

Upgraded electric winch for the main halyard, solent sheet, mainsheet, reefs and davits

Robust davit system served by an electric winch – easy !

Electric windlass with remote chain counter and control at the helm

Sea water wash down pump at anchor

ADDITIONAL EQUIPMENT

Tender: AB 10' Aluminum Floor RHIB - one season of use only

Outboard: 15hp Yamaha – one season of use only

Liferaft

Plancha-style BBQ on aft deck.

Passerelle

Full complement of safety equipment

Full complement of galley wear, tools and bedding
