## Summary / Description

2023 Prestige M48

Loaded!!

Clean and Ready to Go!!

New Bottom Paint/Prop Speed/Zincs and Engine and Generator Serviced August 2025!!

The 2023 Prestige M48 is a luxury power catamaran, Prestige's first multihull model, designed by Garroni Design and Philippe Briand. It offers spacious, light-filled interiors with three cabins, a shallow draft for accessing more remote areas, and superior stability compared to monohulls. Key features include a large flybridge, a hydraulic aft platform, and a well-appointed living space that redefines comfort at sea.

The M48 is celebrated for its voluminous and bright interior spaces, offering a layout comparable to a much larger yacht.

**Main saloon:** The saloon benefits from the catamaran's wide beam with panoramic windows, a spacious U-shaped sofa, and a central aft galley. The galley is practical and features a large fridge/freezer, induction cooktop, and an oven. A glass sliding door and a top-hinged window connect the galley to the cockpit.

**Accommodation:** The yacht is available in 3- or 4-cabin layouts. The standout feature is the full-beam owner's suite located forward, which includes an exceptionally spacious bedroom, split his-and-hers bathrooms, and ample storage.

**Flexible spaces:** The owner's suite can be reconfigured into two separate cabins for charter use. Guest cabins also offer flexible berth arrangements that can be converted from doubles to twins.
