### Investment opportunity

Royal Cape 570 "TAPAS" offers a **rare opportunity** to own a catamaran of **distinguished pedigree**.

Ordered new by her current owner, who was deeply involved in the build process, \*Tapas\* reflects **meticulous craftsmanship** at every stage. The owner personally crewed her maiden voyage from South Africa to Florida and then back to the Virgin Islands after outfitting here for charter, ensuring unmatched attention to detail. With an impeccable charter reputation in the Virgin Islands, "TAPAS" is not only a luxurious family yacht but also a profitable charter asset, earning up to circa \$50,000 per week during peak holidays, making her an **ideal blend of leisure and investment**.

This is a vessel that combines exceptional performance with an unmatched pedigree, making her a prime candidate for any buyer seeking not only to enjoy family adventures but also to capitalize on her **established charter reputation in the Virgin Islands**.

"TAPAS", a stunning 2023 Royal Cape Majestic 570 Flybridge model, offers an unrivaled combination of luxury, space, and modern design, making her the ideal vessel for crewed charters. With five queen cabins, each with en-suite facilities, crew quarters with three single bunks, **a vast flybridge for panoramic views**, she comfortably accommodates up to 10 guests in style. Outfitted with premium amenities and a wealth of water toys, \*Tapas\* is perfect for high-end charter clientele. Her established reputation, superior performance, and luxurious features present a turnkey opportunity for any buyer seeking both a family yacht and **a lucrative charter investment**.

### Catamaran Features

The New Majestic 570 Flybridge by Royal Cape Catamarans features a stylish new look with modernized hull lines. The design boasts modern features and the latest in nautical technology. There are benefits to functionality, safety, and performance. The increased freeboard and larger windows

provide access to more natural light and visibility, while the new elongated design provides substantially more space in the salon, galley, cockpit, and cabins, as well as increased deck space, amplified seating, and larger trampolines. There is also a direct path from the flybridge directly to the bow, without having to go down and all the way around to get from one to the other. This is a unique feature that is extremely beneficial for all occasions!

The expansive decking is wide, flat, and safe with sturdy rails and effective non-slip material covering the surface of the yacht. The expansive flybridge provides incredible panoramic 360-degree views, dining and lounging options, and the unique space at the aft of the yacht provides more dining options, a place to BBQ, fish, dive, and Wade with a dive platform that doubles as a tender lift. The Pizza deck oven is a fun addition, especially with the kids!

## **Royal Cape 570 Interior**

The interior space is unparalleled. A spacious galley with wrap-around counter space opens to an interior dining space, which brings the total dining space options to three. On either side of the galley are the hallways leading to the cabins. The hallways feature a pantry as well as an immense capacity for storage and lead to each cabin, which is set apart and separate, making each one feel like a private oasis.

The Royal Cape stylish design is further complimented by the superior outfit and aftermarket items available on TAPAS. No detail has been left unnoticed from the fine linens, pillows and throws to the wine glasses, serving and flatware that make every day feel luxurious. She has been stocked full of every appliance and kitchen accessory to allow the chef to fully showcase the mastery of their art. And the water toys abound, allowing guests to fully experience all the Caribbean has to offer, both in and out of the water.
