Summary / Description

2023 Stealth X Series 43 - Zephyrus

Location - Phuket, Thailand

We are proud to present an exclusive listing of Zephyrus, the second Stealth Series X 43 ever built. Discover the perfect blend of innovation, luxury and adventure with the X 43 sailing catamaran, expertly crafted in Phuket, Thailand by Asia Catamarans.

Designed by the renowned Alan Carwardine for cruisers who require just one flexible cabin and sailors who demand excellence, Zephyrus offers exceptional stability, speed and efficiency on the water.

The Stealth X Series 43 features one of the sleekest catamaran hull designs available today. This enhances performance while ensuring a smooth and comfortable ride. The spacious and modern interior features high-quality, lightweight finishes in a compact yet highly versatile layout.

Large front-opening saloon windows and expansive aft folding doors allow natural breezes to flow through, reducing the need for air conditioning, though it can be fitted if desired, with ample space in either hull.

For occasional guests, the aft cockpit on Zephyrus transforms into a comfortable double berth, protected from the elements by drop-down covers. Additionally, each hull offers a single berth area for family or additional visitors.

When the wind drops, dual 30hp outboards can be used to power the vessel at speeds of 12 to 15 knots with excellent fuel economy. With the engines located away from the accommodation areas, noise is minimal, further contributing to a quiet and efficient passage.

Zephyrus has demonstrated her sailing prowess with recent regatta wins, proving she's fast when needed. With all sail handling lines leading back to the aft cockpit and twin tillers for easy control. For even greater comfort, a forward saloon steering position offers shelter from the elements and panoramic 350-degree views.

Contact Charles Robinson at The Yacht Sales Co to arrange a private inspection or request further information. Zephyrus is ready to set sail on her next adventure.

VIYB Ltd is pleased to assist you in the purchase of this vessel. This boat is centrally listed by THE YACHT SALES CO.. It is offered as a convenience by this broker/dealer to its clients and is not intended to convey direct representation of a particular vessel
