Summary / Description

Not Often Will You Find Something As Special As This!

The word "Daiermeng" is derived from an English word meaning "Sparkling Diamond."

From that, DIAMOND YACHTS was created to design and manufacture Lifestyle Oriented, Fashionable Yachts With The Focus Of Ultimate Fun On The Water. We endeavored to move the "BAR" to the sea providing a totally new social experience for sea lovers.

Our yachts are designed by Riccardo, a senior Italian ship designer, who seamlessly integrates aesthetics and applies both fashion and functionality to all parts of the yacht. With features that fit within the Instagram life scenes of a new era. High-standard equipment and superior interior decoration, these large/spacious Power Catamarans are stylish and textured in design.

The Open Layout makes the view so broad, seawater is just near at hand. A supreme water experience and a dreamlike party on the sea that never ends is waiting for you!
