## Summary / Description

### New flagship of its fleet, the BALI 5.8

New flagship of its fleet, the **BALI 5.8** completes the range from the top and embodies the excellence of the BALI Catamarans: ever stronger and ever bigger! With its 18 meters of length and 9 meters of width, the new flagship redefines the standards of design, comfort, and performance. An absolute masterpiece of nautical invention, it offers open-plan spaces and higher volumes than those of traditional catamarans. Take advantage of purchasing a charter-ready catamaran with **100% Bonus depreciation benefits**—a smart move for U.S. buyers looking for tax advantages. This vessel is delivered in the British Virgin Islands, with NO import duty, making ownership and charter setup seamless and cost-effective.

### THE ABSOLUTE COMFORT OF BALI 5.8

On board, everything is thought for ultimate well-being! The BALI 5.8 offers a unique volume as well as living and relaxation spaces, where the layout and the design are fully expressed. The kitchen offers generous dimensions, and the dining area includes a meridian and a table for 12 guests. The BALI 5.8 proposes an owner's master suite, island bed cabins and twin cabins. Whether you are on a family cruise or with friends, the BALI 5.8 is an absolute haven of relaxation.

### EXCELLENCE AT THE HEART OF ITS DNA!

Every detail of the BALI 5.8 reflects the expertise and the audacity of the brand. Thanks to its owner's master suite worthy of a palace, spaces and storage to the expectations of a demanding clientele, a bathroom entirely redesigned in a XXXL version, to the size of the boat, it proposes a unique experience at sea. Designed for comfort, intimacy and always more space, the owner's master suite with integrated bathroom and separate toilets rivals the highest hotel standards. For each configuration (4, 5 or 6 cabins), each guest cabin has its own separate bathroom.

### A DESIGN OPEN TO THE SEA

The BALI 5.8 offers a sumptuous connection to the sea. The cockpit-square, thanks to its swing-tilt rear door, creates a unique living space, vast, where the layout and design are fully expressed. The sunbathing area, along with the comfort, dining, and lounge zones, is unmatched. With outstanding natural light, the large windows provide natural ventilation and an exceptional panoramic view. The large opening kitchen window allows communication with the front cockpit. A totally open space with a panoramic sea view.

### THE ROOFTOP, THE NEW FLYBRIDGE

You dreamt it, BALI made it a reality: a Rooftop that serves as a watch station, relaxation area,

navigation hub, a party stop, that all leads to unforgettable conversations. Both a lounge and a sunbathing area, the flybridge is optimized, modular, and adapts to every moment of the day and the cruise. A hardtop covers the entire flybridge providing protection from the sun and heat while offering a constant ventilation and breathtaking views!

## **HIGH END NAVIGATION ON BOARD BALI 5.8**

The BALI 5.8 is designed to sail with elegance and efficiency. The optimized sail plan offers up to 240m<sup>2</sup> of surface, and its self-steering jib guarantees easy maneuvers, even in strong winds. Made in France, it reflects the expertise and innovation of BALI Catamarans.
