### Engine 2

Inboard  
115.00 HP  
Fuel: Diesel  
Location:

Generator 2 KW hrs

## Summary / Description

### New addition to the Bali fleet - Bali 5.2

The Bali 5.2 advances the brand's signature philosophy of open space, effortless flow, and ultimate comfort while integrating cutting-edge sailing performance. From its vast interior volume to its seamless indoor-outdoor living, this model is a game-changer for those who value both relaxation and adventure at sea. **Take advantage of purchasing a charter-ready catamaran with 100 % bonus depreciation benefits**—a smart move for U.S. buyers looking for tax advantages. This vessel is delivered in the British Virgin Islands, with no import duty payable, making ownership and charter setup seamless and cost-effective. **Accommodations** The standout feature of the Bali 5.2 is its revolutionary open-space concept, which enhances the feeling of a floating luxury apartment. With the signature "Bali Open Space" design, you can enjoy a panoramic view from the expansive salon, galley, and cockpit—all seamlessly connected for an airy, loft-style experience.

- **Expansive Flybridge** – Offers a spacious lounge area with sunbathing beds and a commanding helm station for optimal visibility.
- **Forward Cockpit Lounge** – A luxurious relaxation zone that adds another social area beyond the traditional aft cockpit.
- **Garage-style Tilting Door** – Bali's iconic retractable door effortlessly transforms the indoor space into an open-air platform, blurring the lines between interior and exterior living.

**Available in 3, 4, 5, and 6-cabin versions**, it offers unparalleled layout flexibility, accommodating up to 16 berths. The spacious cabins and customizable configurations meet all needs, whether for a family cruise or a trip with friends. Additional Information

### Bali 5.2 - Perfect for the Yacht Charter Business in the BVI

For those looking to invest in a highly profitable charter yacht, the Bali 5.2 is an ideal choice. Here's why:

- **Flexible Layout Options** – The Bali 5.2 offers 3, 4, 5, or 6-cabin configurations, making it perfect for private ownership or maximizing rental potential.
- **Huge Refrigeration & Storage Capacity** – Essential for provisioning on long-term charters.
- **Impressive Autonomy** – Equipped with large fuel and freshwater tanks (1,200L each), reducing the need for frequent refueling and resupply stops.
- **High-End Amenities** – Ensuring maximum comfort for guests, from spacious ensuite cabins to plush lounging areas.
