## Summary / Description

The **McConaghy MC55** is a cutting-edge performance cruising catamaran that redefines the balance between speed, luxury, and comfort. Crafted by **McConaghy Boats**, a leader in high-performance yacht construction, this **16.7m (55ft) multihull** is engineered for discerning sailors who demand both exhilarating sailing capabilities and refined living spaces.

Designed by **Ker Yacht Design**, the MC55 showcases a **lightweight carbon composite and Corecell E-glass construction**, ensuring an optimal strength-to-weight ratio. The yacht's **retractable centerboards** provide versatility, allowing for **shoal-draft cruising** while maximizing **upwind performance** when fully deployed. Dual helm stations on the flybridge offer **superior visibility** for both navigation and docking, making it an ideal vessel for seasoned sailors and those transitioning into the multihull lifestyle.

Inside, the **award-winning M2Atelier studio** has curated a contemporary, **apartment-style interior**, with expansive windows, **electric sliding doors**, and a seamless indoor-outdoor living experience. Owners can select between a **three- or four-cabin layout**, offering either a **spacious full-beam master suite** or four en-suite cabins, ensuring comfort for extended cruising or hosting guests.

With a **large upwind sail area of 150m<sup>2</sup>**, the MC55 delivers effortless sailing performance, while **twin 57hp Yanmar engines** provide reliable auxiliary power. This catamaran is equally suited for bluewater passages, island hopping, or high-performance racing, making it a **true all-in-one sailing solution** for adventurers seeking innovation, craftsmanship, and freedom on the open seas.

Ready to elevate your sailing experience? The **McConaghy MC55** is an exceptional opportunity to own one of the most advanced sailing catamarans on the market today. **Contact us** to explore this remarkable yacht and discover how it can be customized to match your vision of the perfect sailing lifestyle.
