Summary / Description

The **McConaghy MC62** is a cutting-edge performance sailing catamaran that redefines the boundaries of luxury, speed, and innovation. Built by **McConaghy Boats**, a global leader in advanced composite construction, this multihull delivers the perfect balance of **high-performance sailing and spacious, apartment-style living**.

With **sleek lines, carbon-infused hulls, and advanced engineering**, the MC62 is designed for discerning owners who demand both speed and supreme comfort. Its **expansive saloon**, with **bulkhead-free open-plan living**, seamlessly blends indoor and outdoor spaces through **retractable glass doors and oversized sliding windows**, offering breathtaking panoramic views.

Equipped with **dual flybridge helm stations**, a **carbon composite longeron with an integrated anchoring system**, and **hydraulic centerboards**, the MC62 provides exceptional control, efficiency, and versatility whether cruising offshore or navigating tight marina spaces.

Inside, award-winning designers **m2atelier** have curated an interior that rivals **luxury loft-style living**, with **bespoke materials, customizable layouts, and high-end finishes**. Choose between a **3-cabin configuration** with a **full-beam master suite and private study** or a **4-cabin layout**, all with en-suite accommodations.

Designed for **owner-operators**, the MC62 is **CE Category A-Ocean certified**, built to **Bureau Veritas standards**, and delivers **effortless handling with a high-performance sail plan**. Under power, twin **80hp Yanmar engines** ensure smooth cruising with extended range capabilities.

For those seeking a true **Grand Prix-inspired multihull** that offers luxury without compromise, the **McConaghy MC62** is an unrivaled choice. **Available now with customization options to match your vision.**
