Summary / Description

The galley is arranged open-plan to this area, which creates an apartment-like feel and is particularly well suited to socialising.

There are two accommodation arrangements offered as standard; a four-cabin layout (all en suite) or a three-cabin layout, which allows for a large master suite, complete with private study, in the starboard hull.

The MC62 has dual helm positions on the flybridge, allowing for the greatest sight lines forward as well as an elevated position that aids more difficult in-port manoeuvres.

Interior living space has been maximised, with the client able to choose from an array of customisable options and select from three main interior colour schemes, or implement a new interior design of their choosing.

On deck, owners can enjoy meals al fresco at the table to aft or utilise this extended space as a large bathing/swim platform. A further exterior lounge space is found forward of the superstructure.

The MC62 benefits from a carefully considered use of carbon that sees her precise hull forms achieve an optimum strength to weight ratio. Under full sail, in a medium breeze, the MC62 points upwind with confidence, performing like a monohull.

VIYB Ltd is pleased to assist you in the purchase of this vessel. This boat is centrally listed by Walter Johnson Yachts. It is offered as a convenience by this broker/dealer to its clients and is not intended to convey direct representation of a particular vessel
