Summary / Description

New Build Opportunity for the **McConaghy MC82P Power Catamaran** redefines the luxury multihull experience, blending cutting-edge composite construction with world-class design and high-performance capabilities. Built by **McConaghy Boats**, a leader in high-performance yacht building for over five decades, and designed by **Ker Yacht Design**, this 82-foot power catamaran delivers **exceptional speed, fuel efficiency, and unrivaled comfort**.

Designed for both **coastal cruising and long-range offshore adventures**, the MC82P offers an **expansive living experience with unmatched stability and efficiency**. The **10.22-meter beam** creates a **palatial interior**, featuring **open-plan layouts, customizable configurations, and seamless indoor-outdoor living spaces**. The **flybridge, aft deck, and forward cockpit** are meticulously crafted for relaxation and entertainment, making this vessel an ideal platform for both private ownership and high-end chartering.

Equipped with **twin Scania 875hp engines**, the MC82P achieves a **top speed of 28 knots** while maintaining **fuel-efficient cruising at 10 knots**, offering an impressive balance between performance and range. The lightweight **epoxy-infused composite hull** ensures **superior strength, reduced fuel consumption, and increased longevity**, placing the MC82P at the forefront of modern power catamaran design.

Inside, the **luxurious accommodations** include **four VIP staterooms, crew quarters, and expansive salon spaces**, styled by **M2 Atelier**. The **salon and galley area** flow effortlessly into the **aft deck lounge**, enhanced by **bi-fold doors, large panoramic windows, and customizable interior finishes**. Every detail, from **high-end appliances to soft-close cabinetry**, speaks to the yacht's **mini-superyacht appeal**.

The **flybridge serves as the yacht's command center**, featuring a **single helm station, panoramic visibility, and spacious lounging areas**, making it ideal for both piloting and socializing. The **hydraulic swim platform** offers **easy water access and storage for tenders and toys**, adding versatility to your cruising experience.

Whether you seek **private luxury cruising, a high-end charter platform, or an adventurous liveaboard experience**, the **McConaghy MC82P Power Catamaran** delivers a **perfect fusion of speed, comfort, and style**. Built to **CE-Category A Ocean Certification**, this yacht is ready to take you on **extraordinary journeys across the globe**.
