Location:

Generator 1 KW hrs

Generator 2 KW hrs

## Summary / Description

### PERFORMANCE SAILING MEETS STYLISH LIVING

The MC62's wide saloon offers a versatile and spacious living area that, with large windows running the full length of the hulls and retractable glass doors to aft, is exceptionally light and provides fantastic views. The galley is arranged open-plan to this area which creates an apartment-like feel and is particularly well suited to socialising

There are two accommodation arrangements offered as standard; a four-cabin layout (all en suite) or a three-cabin layout, which allows for a large master suite, complete with private study, in the starboard hull.

As with all McConaghy Multihulls, the MC62 has dual helm positions on the flybridge, allowing for the greatest sight lines forward as well as an elevated position that aids more difficult in-port maneuvers.

Interior styling comes from m2atelier, an award-winning studio with extensive experience in superyacht design. Their attention to detail and innovative storage solutions allow living space to be maximized, with the client able to choose from an array of customizable options.

The MC62 benefits from a carefully considered use of carbon, that sees her precise hull forms achieve an optimum strength-to-weight ratio. Under full sail, in a medium breeze, the MC62 points upwind with confidence, performing like a monohull.

*VIYB Ltd is pleased to assist you in the purchase of this vessel. This boat is centrally listed by Troyer Yachts. It is offered as a convenience by this broker/dealer to its clients and is not intended to convey direct representation of a particular vessel*
