## Summary / Description

McConaghy Multihulls is the latest product range from McConaghy, drawing on 50 years of yacht building excellence, as well as a storied history in creating some of the world's best-known and best-performing race boats.

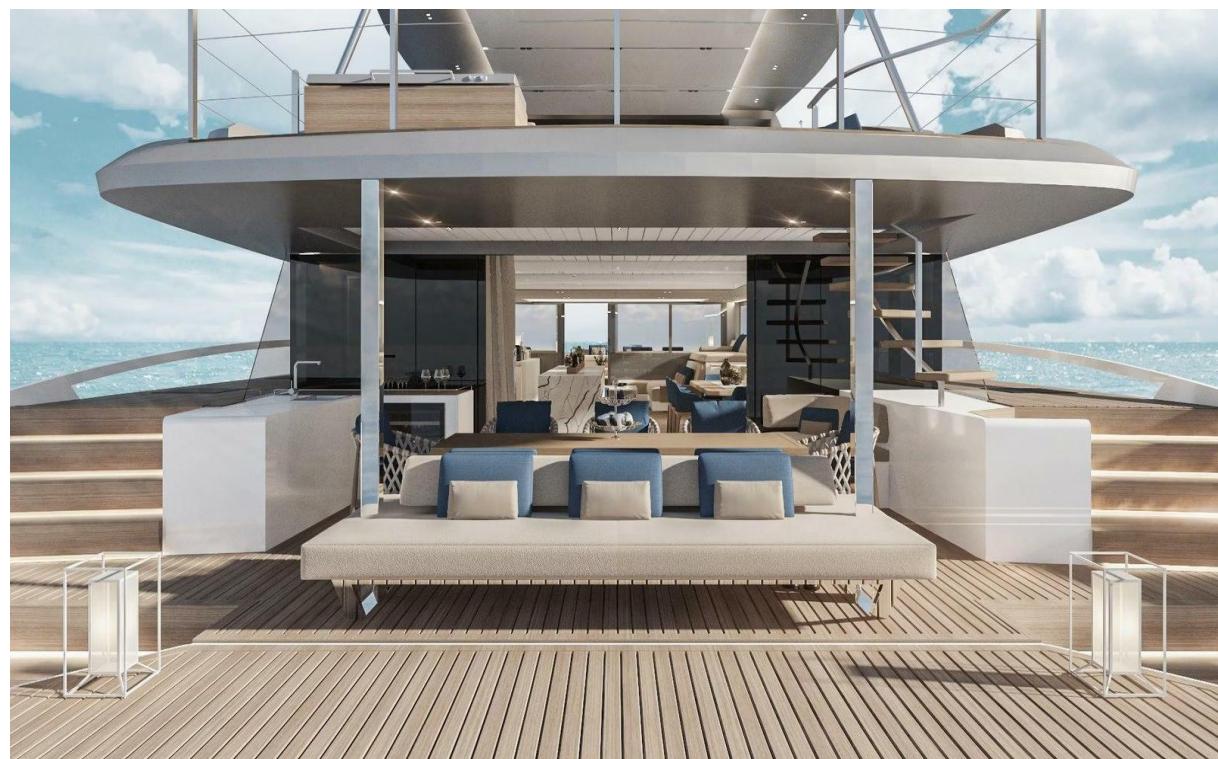

McConaghy's continual innovation and investment in new materials and technologies, allows them to firmly establish their position at the forefront of progressive high-performance yacht building.

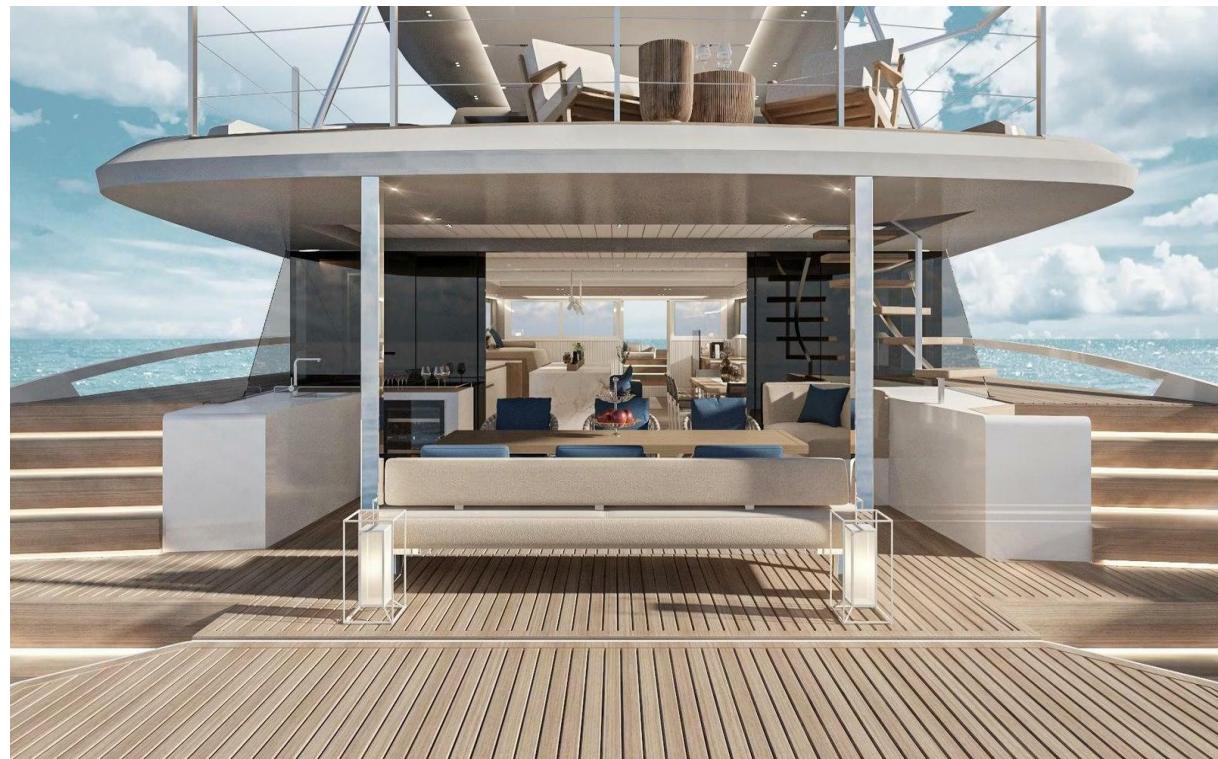

McConaghy is proud to introduce an entire line of cruising multihulls to their portfolio, created in collaboration with world-leading designers.

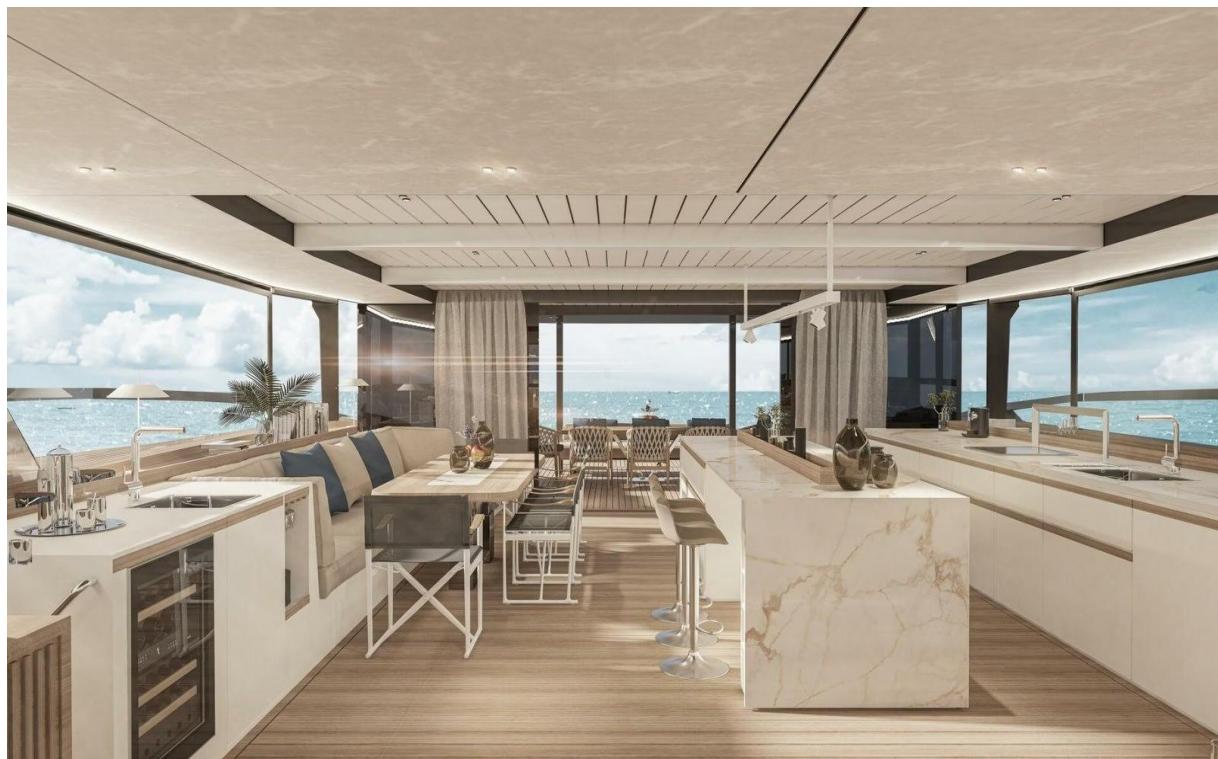

In keeping with the McConaghy multihull design, the MC82p features clean lines, apartment-style living and overall, an open and modern dynamic that simultaneously enables more comfortable cruising and better performance; a feat not yet achieved in any other line of multihull.
